Re: Stay Safe advice-Hull Fair

Dear Parent/Carer,

Here at The Compass Academy, we are committed to ensuring that all pupils promote high levels of attendance, we know that there is a direct link between excellent rates of attendance and the progress that your child is able to make.

It is not uncommon that during the week of Hull Fair, attendance rates typically drop, this is disappointing.

To promote the importance of high rates of attendance, during Hull Fair week, there will be a daily prize offered to each pupil that attends school every day. In addition, there will be an end of the week, prize draw for a £5 voucher awarded to pupils that have attended school every day for week commencing:

Monday 12th October, 2026-Friday 16th October, 2026.

Please note, although it is recognised that Hull Fair is a special time of year, if your child intends on visiting the fair, please ensure that your child maintains an awareness about how to keep themselves safe within a busy environment.

Stay safe advice:

- Ensure that your child's mobile phone is fully charged.
- Advise your child not to travel independently, arrange to visit the fair as a group of friends/family members.
- Wear clothing which has zips to keep any valuables safe.
- Only walk in well lit areas.
- Arrange a meeting point in case your child becomes lost.

If you would like any additional information regarding 'stay safe' advice or the Hull Fair attendance incentive, please do not hesitate in making contact with the school.

Yours sincerely,

Mrs C Horne
Principal
