Parent/Carer Event: Halloween Ball (22.10.26)

Engaging with, and supporting our families is an important part of our school's values and ethos which is why, across the academic year, that we host various events to come together as one 'Compass family' and celebrate our school community.

During the course of events, staff (including the Principal, Mrs Horne) are available to speak to parents/carers to offer feedback about the school.

As always, it is great to welcome the voices of parents/carers so that we can continue to support your child (and the school) in making progress. Please see below for feedback!

Best wishes,

Mrs Horne, Principal

Reflections:

As Principal of the school, I am delighted with the positive feedback received from Parents/Carers. That said, it is important that as a school leader, that I reflect on the feedback received, to further improve our school.

Key points to note:

- Academy leaders to share concerns about taxi arrival times with the Academy's transport team.
- Academy leaders to remind pupils about the school's 'Pupil Charter' to reinforce positive expectations.
- As a school, we continue to remind pupils about Academy expectations through our daily W.A.R points system and weekly assemblies. Over time, it is hoped that all pupils will take on board this feedback and use this guidance to help our pupils to make positive choices for themselves. This is something that as a school, that we will continue to reinforce.

Parent/Carer Feedback:

As a school, we value all parent/carers feedback. If you would like to offer individual feedback to the Senior Leadership Team, please do not hesitate in contacting the school Admin team, Tel: 01482 331720.

Alternatively, please speak to your child's Tutor to arrange a convenient time.

As always, thank you for your continued support. It would be great to see more parents/carers at our next event, our **Compass Academy Community Christmas Lunch!**
