Dear Parents and Carers,

Half Term Challenge!

I am delighted to announce our half term rewards challenge, designed to encourage pupils to continue engaging with their learning whilst at home.

Pupils who complete activities on Reading Plus, or complete units on Sparx Maths or Sparx Science, will receive 'bonus tuck shop tokens' as a reward for their efforts and commitment to learning.

These rewards will be issued on a weekly basis in addition to bonus certificates and prizes issued to those pupils that make the most progress. As a school, we hope that this initiative will help to motivate our pupils to continue developing their core skills in reading, maths and science.

I would like to thank parents and carers for your continued support in encouraging your child to access these learning platforms on a regular basis.

How to access the platforms?

Sparx

1. Pupils can access Sparx Maths and Science at <https://sparxmaths.com/> or <https://sparxscience.com/>
2. Type the name of our school, Compass Academy
3. Select **"Log in to Sparx using Google"** using their school email address and password.

Reading Plus

1. Pupils can access Reading Plus through <https://student.readingplus.com/seereader/api/sec/login>
